

## AN EDITORIAL . . .

## Shopping Carnival Hits The Deck

Due to new government regulations, the annual shopping carnival sponsored by the Didsbury Board of Trade, will not be held this year. Seems like you're not allowed to give anything away "for free."

The shopping carnival, which was scheduled to start on November 21st, has had the course, for this year at least.

We could be wrong, but the way we read it there are a lotta firms, working in a larger area, and on a larger scale than "our town", who have that give-away plan which comes under the law, or does it? The whole schmonzie is don't making sense to us!

Anyone for Bingo — they tell us you can get a clearance on this if you're working in the right league.

Which league is it and we'll all be come non-conformists. What we'd like to know, which is the preferred section in the mad scramble — don't tell us it isn't a scramble, it is in our humble opinion.

## FALLEN TIMBER

(From Our Own Correspondent)

A bridal shower was held at the home of Mrs. Ester McKullen in honor of Miss Barbara Stali who is to be married this month. The bride received many lovely things and thanked the donors most fittingly.

Mr. Wayne Roberts is down from Fort Nelson.

Miss Wayne Fyten accompanied by five other students from Cremona school and a teacher Miss Donna Maynes were guests on the T.V. program Jims and Jeans, on Saturday.

Hunters have been planing the district in every corner. Some of them I'm afraid are not to fuzzy where they are shooting either. Remember people live back here, or hope too keep living.

Mr. Leonard Wright and Mrs. Emma Wright were supper guests recently at the home of Mr. and Mrs. Bob Moore.

Dinner guests at the J. Howton home Sunday were Mr. and Mrs. Robert Moore and Monty, Mrs. C. B. Moore, and Mrs. Lily McCall. Also present were Mr. and Mrs. Bob Moore, Judy and Brian, and Mrs. L. Wright.

Charlene and Ronnie Roberts were overnight guests recently at the home of Mr. and Mrs. Bill Money.

Chicken Pox and Red Measles are going the rounds of the smaller children just now.

Mr. and Mrs. Bill Dick Jr. of Calgary were visitors at the home of Mr. and Mrs. Bill Dick Sr. as was Mr. H. Taylor of Didsbury.

Mr. and Mrs. W. Fyten were Calgary visitors where they left Mary Joan in hospital for an operation.

## "OPEN HOUSE" FRIDAY AT BIBLE COLLEGE

On November 13th, Mountain View Bible College will again open its doors to all who wish to see the college premises, and the home of the president, which was constructed this summer. As in other years, friends will be welcomed beginning at 8:00 p.m.

An interesting program with music and slides will be presented in the chapel this year. Displays of college life and organization will be displayed in the student centre and music building. Guests will be escorted from place to place, and programs will further give guidance to all who come.

Guests will be served lunch in the dining room. You will be most welcome, and you are assured that the evening will present much interest to each of you who attend.

Shown above is the "fire-eater" that will be on hand from now on to service rural areas, and if necessary within the town. To date there are 150 members in the Didsbury Rural Fire Protection Association. Being members they can call on the machine at any time; no extra fee.

On Wednesday evening, November 18th, at 8 p.m., the Rev. H. W. Wietmann of Friedland, Wisc., near Milwaukee, will lecture at Redemer Lutheran church. His topic will be "The Christian and the Lodge". An invitation is extended to all members and friends of Redemer to attend this meeting.

This lecture is sponsored by the oldest Lutheran congregation in the state of Wisconsin. The congregation is 116 years old. At present time he is also serving on the District Board of Parochial Education, being head of the Adult Education Department and Chairman of Bynod's Rural Life Commission.

This lecture is sponsored by the Lutheran Laymen's League, an organization of the Lutheran Church, Missouri Synod, sponsors of the Lutheran Hour. The organization numbers 102,000 members working for the church at large.

Sorry . . . TOO LATE

Due to the fact that we had to run our paper a little early last week because of the Remembrance Day holiday, we were forced to hold over some of our correspondence until next week.

## Here's The New Fire-Fighter

Shown above is the "fire-eater" that will be on hand from now on to service rural areas, and if necessary within the town. To date there are 150 members in the Didsbury Rural Fire Protection Association. Being members they can call on the machine at any time; no extra fee.

Non-members of the association can call for fire-fighting help at any time, but the cost of the service is in a much higher bracket than those who are members. Why not become a member of this property and life-saving association today?

Photo by Wiggins

## Choral Society Plan For New Season

This year's choral society activities commence at the Bible College with an evening of songs, new and old. Under the leadership of Mr. Meyer, Bible College music director, all past members, plus newcomers, will enjoy an evening of singing "just for fun". Entertainment will be topped off by lunch and coffee.

At this social, copies of the coming year's program will be distributed so that we will have a chance to familiarize ourselves with the music before work begins in earnest in January. The year's program will again include a variety of music — folk songs, spirituals, religious and classical, calculated to appeal to the tastes of singers and audience alike.

Anyone interested in singing for fun no pay — we're not that good! — is invited to attend a meeting on Monday, November 16th at 8 p.m. at the Bible College. We are sure you'll be pleased with the results, and will be eager to join in the January rehearsals.

The librarian wishes to request that all music from past seasons be returned at this meeting.

## SORRY . . . TOO LATE

Due to the fact that we had to run our paper a little early last week because of the Remembrance Day holiday, we were forced to hold over some of our correspondence until next week.

## BERGEN NOTES

(From Our Own Correspondent)

Mr. Gerry Heise is wearing a cast on his left arm, which he broke while playing football at Sundre school.

Mrs. Joe Andreas of Red Deer is spending a week with her parents Mr. and Mrs. Ross Ellis.

Mrs. Walter Admussen was the W.A. hostess on Thursday last week. The members spent the day quilting.

The "meanest thief" was the one who stole Erling Erickson's rifle and lunch kit, from his car, after he had been taken to the hospital following a collision west of Sundre on Tuesday of last week. The other vehicle involved was Mel Eskrick's lumber truck, which apparently side-swiped the Erickson vehicle, breaking the windshield and cutting the tips off several fingers on Mr. Erickson's left hand. It was the day of the big storm and driving conditions were very treacherous.

## Subscription Note:

A red line under your name means our subscription is overdue.

A blue line means your subscription is coming due next month.

Please pay out of town subscriptions by money order.

## 150 Pints Of New Life

A blood donor clinic held in the Didsbury school auditorium on Thursday of last week saw 155 persons turn out to make donations of the life-saving fluid. (Not too good a show for this district).

In all 150 pints of blood were collected. Those of you who donated your blood should sleep well, you may have saved the life of someone you don't even know. Those of you that are fortunate enough to have that extra supply of blood in your veins, and were among the missing at the clinic — do you sleep well at night when you think you might have saved a young chap or an old chap going over the hill?

There is one consolation; we once again defeated our northern suburb (Oides), insofar as donations were concerned.

## ZELLA NEWS NOTES

(From Our Own Correspondent)

Mr. and Mrs. Harry Stauffer and their five children, from Toftia, and Mr. and Mrs. James Earl and family, of Smith, Alberta, were weekend guests of Mr. and Mrs. A. Reist. Mr. and Mrs. W. C. Spicer of Cananda, were also visitors at Reist's the day of the sale.

The Zella Community Club will sponsor the first of a series of millitary whist parties at the community centre Friday evening, November 13th. Everyone welcome.

May we remind you of the annual W.I. bazaar, to be held in the Community Centre Friday evening, Nov. 27th. Entertainment will be in the form of films.

## Institutes Make Winter Plans

### LONE PINE W.I.

The November meeting of the Lone Pine W.I. was held at the home of Fred Metz with Mrs. E. Dowell as hostess. 14 members and four visitors were in attendance.

Roll call was answered with a silver collection for Boy Scouts Poppy day. The dance planned at the Lone Pine Hall for November 20th had to be changed to December 11, with the Rocking Reels' orchestra.

Mrs. Mervie Slesert was elected as delegate to attend the Calgary workshop on November 6th. Each member was asked to donate a prize for the bingo at Lone Pine Hall on November 14th. \$2.25 was handed in from the sale of cook books.

Mrs. Ron Milne gave a paper on education; her topic was on the Alberta School for the deaf. The bit of fun given by Mrs. E. Dowell was won by Mrs. Chris Ebert.

## CREMONA NEWS

(From Our Own Correspondent)

Sympathy of the district is extended to the McBain family on the death of their father last Sunday night. Mr. J. McBain was a district pioneer, having come to this district in 1902. He was an honorary member of the Cremona United church and a member of the Masonic Order. Funeral services were held at Cremona and interment took place in the Carstairs cemetery.

Mrs. L. Randolph was a visitor here last week. Mrs. Randolph spent several days with Mr. and Mrs. J. Raitry and visited with the Mork and J. Simpson families. She returned home on Sunday.

Mr. and Mrs. C. Wilson visited with Mr. and Mrs. J. Raitry last Thursday evening.

Word has been received of the death of Mr. Elsin Young. On Saturday he spent the day helping bale straw at Roy Mork's. He stopped at Duncan Young's before starting for home. Mr. Young was found Sunday morning at the foot of the Penner hill by Mr. Knapp. Apparently he suffered a heart attack and died while sitting with his foot on the brake.

Mrs. Lionel Bird and Mrs. Chas. Bird held an at home Sunday afternoon and evening at the home of Mrs. Marion Reid in honor of her 70th birthday. Many relatives and friends gathered to offer congratulations.

## RUGBY INSTITUTE

The Rugby W.I. meeting held at the home of Mrs. Percy Hoesgood was advanced two days because of the Blood Donor Clinic which was held on the regular day. A turkey supper is planned for Wednesday, November 25th, with films to be shown afterwards.

The Institute plans to visit the Jubilee Auditorium on November 17th. Used clothing was brought for Unitarian Services. Articles from remnants donated by Estola and Simpson Sears were sold, the money to be used for charity.

Mrs. Allen Vipond and Mrs. Roy McNaughton reported on the executive report on the constituency. Mrs. Doug Hoesgood read a chapter from Dr. S. R. Laycock's "Brief Chats to Parents".

Mrs. A. L. How gave a United Nations report on the refugee camps, followed by a quiz on U.N. abbreviations.

Mrs. Percy Hoesgood and Mrs. Alex Blair were hostesses. Mrs. Howard Krebs won the tea draw. The Christmas meeting will be held at the home of Mrs. Allen Vipond.

## DIDSBURY INSTITUTE

The November meeting of Didsbury W.I. was held at the home of Mrs. A. Esler with 12 members and four visitors present. Roll call was answered with vegetables for the Senior Citizens' Home.

Plans for the year have been received and will be made into layettes for U.S.C.

Plans were made to serve at the Blood Donor Clinic on November 5th with our group providing the dinner for the workers.

The constituency executive report was read by Mrs. A. Esler. A move was made to do Red Cross sewing after the New Year.

A hospital bed was purchased by the group and delivered to the Senior Citizens' Home.

A home economic paper was given by Mrs. Gordon Rathburn. The tea prize was won by Mrs. E. Blair. Bit of fun given by Mrs. E. W. Gault was won by Mrs. J. McDonald.

The December meeting will be held at the home of Mrs. E. Pieper with roll call being a gift for a mental patient; also Christmas gift exchange not over \$1.00.

Anyone wishing to be a W. I. member are very welcome to come and join our group.

## Pint-Sized "Pied Piper" Skirls On Calgary Streets

Terry Janzen, 8, marched up and down 24th Ave. near his home Tuesday morning playing a man-sized set of bagpipes.

Why was he playing the bagpipes on 24th Avenue? There were several reasons, he said.

● It was a nice day, fine weather for piping.

● He had spent the weekend with his grandparents and hadn't had time to practice.

● His backyard was too small to practice in. You need room for piping. Lots of room.

He attracted a fair-size audience when he piped on the street. He'd been practising outside for most of the year when the weather was good.

### NOT SCOT

No, he wasn't Scottish. His father was of Dutch extraction and his mother's parents came from England and Germany.

"He's just one of those kids who likes to play the pipes, I guess," says his mother, Mrs. K. Janzen of 522-24th Ave. S.W., in the way other mothers say their sons like eating strawberry shortcake, or building model aeroplanes.

It started about a year ago, Terry heard pipers play at a concert in the Stampede Corral. He wanted

pipes.

Mrs. Janzen hunted up Joe Auld, veteran piper who had retired as a pipe major with the Calgary Highlanders. Mr. Auld agreed to teach Terry and the boy was provided with a chanter (a sort of bagpipe without a bag used for instruction), a set of half-sized pipes, and finally a full sized set when he proved he could play them.

But Terry's Scottish piping was almost as powerful as that of a German in the Town of Hamelin. His friends were interested too and soon Mr. Auld had a pipe band on his hand.

### INSTRUCTION

The retired Highlander sees two boys for instruction five nights a week and on Saturdays the whole group gathers in the basement of the Parkdale Community Hall.

The small band has been turning down engagements because it hasn't any money to buy uniforms and good drums.

"We need uniforms and three drums, then we'll be ready to go out on the street," Mr. Auld says. But Terry's already on the street.

"You get extra points in competitions if you can march and play at the same time," he explains.

He was out Tuesday morning because he had been late returning from a visit to his grandparents' farm. He overslept and did not want to go to school late.

"All right, then," his mother said, "you can stay home this morning but you'll have to practice."

"I'd sure like to play in a band," Terry says and his teacher agrees that he's ready.

Terry is a grandson of Mr. and Mrs. R. C. Ahlgren who farm east of Didsbury.

## THE LOCAL NEWSPAPER MAINTAINS ITS INFLUENCE

- How often a successful executive, far from his small-town birthplace — maintains his contacts through regular receipt of his weekly newspaper.
- There is nothing quite like a small town weekly for neighborly news and intimate contacts.
- People in the advertising business talk about selected audiences — sharply focused circulation. They have learned from experience that when a publication is specially edited to appeal to the specific interests of a smaller group of people, its opportunities to make sales are multiplied many times over.
- The weekly newspaper is that kind of publication. Whether its circulation is a few hundred or a few thousand, it represents effective circulation.
- Gather the towns-people and farm folk around you when you advertise. Surround yourself with friendly neighbors — deliver your advertising message through your local weekly newspaper.

58.2 Per Cent of Canada's population live in  
places of 10,000 or Less. THESE ARE WEEK-

### Chronic Hospital To Be Built Here ? ? ?

That is the big question. A meeting was held here last week, with M.L.A. Owens in attendance. The hospital board, town council and Board of Trade had representatives on hand. "Was decided by each group to send briefs to Dr. Ross, the provincial minister of health, outlining the area that will be effected and the many points in favor of having the hospital built here. We're central, we've got an ideal spot for it, we're wanting it, we should have it when you consider the various angles. Wonder what Dr. Ross and his associate think — we trust they're more than just dreamin' about the site of the 50-bed institution, we hope they will pick the logical spot, which is 'our town.'"

### Longer School Term Suggested . . .

At the 53rd annual convention held in Calgary last week, there were many important matters came under the gavel. The one that caught our eye was the resolution suggesting that the school summer holidays should terminate on August 15th instead of September 1st. We don't think this idea will receive approval either from the majority of students or teachers. Is not ten months enough to absorb the required knowledge? Were we more intelligent in the earlier days than the students of today? We don't think so! Could it be the new atomic age system of teaching that requires the extra days?

### Just Another Chuckle . . .

Woman talking to a friend in the hospital: "She was so ill they had to feed her inconveniently."

### NOTES FROM The District Agriculturist HOWARD FULCHER

There was considerable interest in Alberta last spring in the forage grass, sorghum alnum. Believed to be a natural hybrid originating in Argentina it has been used with some success in more southerly regions. Doubt was expressed as to its suitability under our conditions however, and farmers were cautioned accordingly. During the past year, trials have been conducted and from the Lacombe Experimental Farm comes information of its performance there.

Reporting results, Agronomist L. J. Anderson advises that in a comparative hay test at Lacombe, sorghum alnum yielded only 0.74 tons of dry matter per acre. Oats yielded 2.74 tons, millet 2.48 tons and corn 1.77 tons. Bromo from first year seedling yielded 0.99 tons per acre.

In this test, sorghum alnum, oats, millet and corn were all seeded on May 13th. The sorghum alnum seedlings emerged two weeks later but growth was extremely slow until mid-July. A fairly dense stand of fine-stemmed plants with numerous leaves developed but when the first killing frost came on September 6, the plants were not headed out and were only 18 inches high. By this time the corn was 40 inches high, the oats 36 inches and the millet 36 inches. All were severely injured by frost.

Obviously, says Mr. Anderson, claims made for sorghum alnum were out of line with its potential for central Alberta. Since sorghum alnum is considered a perennial Mr. Anderson plans to leave the stand over winter so that its degree of hardiness under our conditions may be determined.

### LAST RITES HELD FOR WILLIAM ARTHUR BELLAMY

Funeral services for William Arthur Bellamy, 77, formerly of 403 Nelson Avenue, Penitence, were held from the Seventh Day Adventist Church in Penitence, with Rev. R. A. Hubley officiating. Interment was in the family plot, Lakeview Cemetery.

Mr. Bellamy was born at Broomfield, Michigan in 1881, and came to Drayton, Ont., at the age of three. In 1900 he moved to Didsbury, Alta. where he took up a homestead. In 1908 he married Charlotte Josephine Cole and to this marriage there were born three sons and seven daughters. Mark Walter of New Westminster, Mrs. C. (Pern) Baker of Abbotsford, Orvil Arthur of Calgary, Mrs. W. (Vivian) Mates of Salmon Arm, Mrs. Velva Lester of Chilliwack, Mrs. F. (Joyce) Caste of Summerland, Mrs. Arlene Cragg of Salmon Arm, Mrs. W. (Carol) Blake of Kamloops, William Douglas of Revelstoke, and Mrs. MacDonald of Penitence.

The family moved to Salmon Arm in 1924 where Mr. Bellamy farmed until moving to Trail in 1943 where he worked as a Tadanac Police with the C.M. and S. Co. He and his wife came to Penitence to retire in 1945 where Mrs. Bellamy passed away during that year. In 1946 Mr. Bellamy married Mrs. Annie Smith and they resided at 403 Nelson Avenue until his death.

He was a member of the Masonic Lodge in Salmon Arm along with his father, John Henry and his son Mark Walter. During the last few years he has taken an active part in the Old Age Pensioners Organization.

### NO DEAL . . .

It was during the Nazi regime in Czechoslovakia that a seedy character crept up to the counter of a store. "The Gestapo is after me," he whispered to the man behind the counter. "Please hide me." The storekeeper, scared, then pointed to a sign on the wall: "Positively no Czechs cached here."

**HERE TODAY**

The eventful FRONTENAC two-door sedan—one of Ford of Canada's fine cars.

**THE EVENTFUL**

**FRONTENAC**

It's an event—Canada's new trim-size six-passenger car is here!

This is the new car event you've been waiting for! Beautiful—and roomy, too—the trim new Frontenac seats six people in comfort . . . offers over 23 cubic feet of trunk space . . . turns around in just 38 feet . . . delivers over thirty miles to the gallon of regular gas! How all this in one car? Through a completely new approach to car design. The Frontenac body is both light and strong—because every section is a structural member. Built to last—because points normally susceptible to rust are undercoated with zinc. Single-unit

construction keeps the eventful Frontenac amazingly rattle-free and whisper-silent inside. It's a car you can be proud to own. Whether you choose standard manual shift, or lively new automatic, your Frontenac will be fun to drive . . . and truly economical. Until you actually ride in its six-passenger roomy body . . . appreciate its quick response and safe, sure stopping power . . . and start saving every mile you drive, you just can't know how altogether eventful the Frontenac is. See it at your Meteor dealer's soon.

Certain features illustrated or mentioned are standard on some models, optional at extra cost on others.

Choose from two-door or four-door models at your Meteor-Mercury-Frontenac dealer today!

Special meetings have been planned throughout Alberta to hear the above panel discuss "Farm Extension - a White Elephant or a Dark Horse." The meetings have been organized by the F.U.A. locals and other farm groups to take a first hand look at the new Educational, Training and Citizenship development program being established in the province.

Taking part in the broadcast are Lloyd Rasmussen, Supervisor of Dist. Agricultural Services; J. R. McFall, secretary, Alta. Federation

of Agriculture; Allan Des Champs, Agriculture Secretary, Dept. of Extension, University of Alberta; Floyd Greisback, Program Director, Alta. Farm Organizations; Al Richardson, CBC Farm Commentator and producer of the broadcast. Special meetings of F.U.A. locals and other groups will listen to the broadcast, discuss it along with their own experiences, and then report their opinion for a provincial summary. The reports will shape the F.U.A. Educational Program for the year.

KITCHEN PLANNING  
What makes a dream kitchen for the housewife? Plenty of careful thought about the use of space, materials and equipment, tailored to suit her needs.  
Space, material and equipment - how should they be used? A kitchen should be laid out so there is a minimum of movement to carry out any job - cooking, washing, dishes, preparing meals and obtaining the vegetables and other ingredients necessary for doing these jobs. Cupboards should be arranged according to storage needs. Counter space must be positioned for easy movement from job to job. Materials should be attractive and durable. Equipment and appliances should be carefully chosen for economy of operation and efficiency.

This is, in brief, what a kitchen should be and what a housewife will dream about. A dream that breathes efficiency and ease of operation where drudgery is at a minimum.

DO'S AND DON'T'S IN KITCHEN PLANNING:—

1. Don't put your range near a window.

- As a safety precaution, because rising heat might touch off curtains.

- For better cooking, since a steady breeze could affect results.

- For less cleaning of windows and curtains, which would be stained by cooking fumes.

2. Do have wall cabinets and counter tops at the correct height for the particular homemaker. And make sure the shelves are adjustable.

3. Don't be in the dark - planned lighting is most important in any kitchen.

Don't crowd appliances together causing insufficient space when doors are opened. Allow a minimum of 40" of free floor space in front of refrigerator, range and sink centres.

5. Don't locate range burners right next to an entrance. Have a counter between for safety and as a handy horizontal surface.

6. Do separate sinks and range by at least 24" of counter space. This prevents water splashing on burners and gives needed counter area between the two appliances.

7. Don't have a refrigerator door opening into a corner with no nearby counter space.

8. Don't segregate work centres when it is not necessary. Join them with continuous centres for true production-line efficiency.

9. Do take into consideration the necessity of proper wiring and plenty of convenient outlets for small appliances.

10. Do keep the rest of the house in mind when planning the kitchen. A good general practice - refrigerator near the service entrance - range area near the dining room door.

Are you building a new home or remodeling an old one? Is your kitchen planned to do the job it is supposed to do? I would be very happy to discuss your plans with you. Please free to contact me at any time.

**M.V.B.C. NEWS**

(From Our Own Correspondent)

This week has been a good one at the college. We have had some good chapel speakers. Rev. Hefke of the Gospel Tract Society, with headquarters in Edmonton, gave a splendid address last Thursday, concerning the work done by them. On Friday, Rev. Annett was the chapel speaker, and as college pastor, brought a splendid message of instruction to the student body.

Mr. Abe Sawatzky, who is teaching a third year course in religious education this semester, took his class to the Davis farm for outdoor demonstration of club work. This was of great interest for they not only received this instruction, but in doing so, prepared an entire dinner, lighting the fire with one match (we do not have a report on their success in doing so) and then proceeding to cook the vegetables, meat, etc. in the prescribed fashion. Mr. Sawatzky's course is anticipated each week with great interest.

On Friday evening the young people had another social evening in the Student Centre. It was a time of fun and frolic for they came in various costumes that challenged the imagination of the many who were present. In the absence of the chairman of the committee, Mr. Wayne Stauffer, Miss Myrna Reimer, vice-chairman took charge.

The Gospel Service League is beginning to function. Mr. Ray Stauffer, student director, is busy assigning various teams to their duties. On November 22 the students will be taking the services, both for Sunday school and morning and evening worship in the United Missionary church, Didsbury.

Master Cameron Traub, a recent arrival in the home of Mr. and Mrs. Lavern Traub, is becoming more and more of an attraction in the college. He supplies a new note to the general tone of the college.

Mr. and Mrs. Meyer have taken part in several of the meetings being held in Mountain View church. The special speaker at these meetings is Rev. Mauges of Indiana. Next week it will be Rev. "Pat" Patterson, two-term representative for the Social Credit party, as speaker in chapel. On Thursday he will speak on communism and his contact with the United Nations program. He is being given one hour for this address, so chapel will begin at 11 a.m.

**SPRINGSIDE NOTES**

(From Our Own Correspondent)

The last meeting of the Ladies' Group was held at the home of Mrs. Wm. Morton, and it was decided to hold the first card party of the season on November 20th, at Springside community centre.

A shower for the newly-weds, Mr. and Mrs. Jack Collinge. This will be held on Friday night at the Springside school.

Thursday visitors with Mr. and Mrs. Wm. Morton were Mr. and Mrs. Rudy Haugeneden and daughter, and Mrs. Madeline Rodney.

Cpl. and Mrs. Don Peterson, formerly of Penhold RCMP Station, are now settled in their new home in Belleville, Ont. Cpl. Peterson has been stationed at the Air Force base at Trenton, Ont.

The next meeting of the Ladies' Group will be held at the home of Mrs. Faye Nozler; don't forget the exchange of Christmas gifts, children included.

Miss Eleanor Charlton spent the weekend with Miss Elizabeth Collinge.

Mr. and Mrs. B. Collinge and Wayne visited Sunday with Mr. and Mrs. F. Collinge of Acme and Mr. and Mrs. Art Taylor of Acme.

The local F.U.A. meeting was held at the home of Mr. and Mrs. H. Peterson on Monday evening. Mrs. Irma Roeth was hostess to a Stanley Tea on Monday afternoon.

**CHRISTIAN SCIENCE**

Mankind's need of spiritual regeneration and renewal will be brought out at Christian Science services Sunday.

"Mortals and Immortals" will be the Lesson-Sermon subject. Readings from the Bible will include the Apostle Paul's exhortation to the Colossians: "Lie not to one another, seeing that ye have put off the old man with his deeds: And have put on the new man, which is renewed in knowledge after the image of him that created him" (3: 9, 10). A correlative citation to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "By Putting off the old man with his deeds, mortals put on immortality" (162: 7).

The Golden Text is from Romans (8: 3): "They that are in the flesh cannot please God. But ye are not in the flesh, but in the Spirit, if so be that Spirit of God dwell in you."

**DISTRICT NEWS****SERVICE BOARD NOTES**

— By —

**W. K. SYNDER**  
Agricultural  
Service Board

**WILD OATS:** Two new chemicals for wild oats control are reported by Henry Friesen, senior agronomist at the Lacombe Experimental Station. Both are liquid and can be applied with the ordinary field sprayer. One is for use before planting and the other is applied after the crop is up and the wild oats are in the two leaf stage.

The pre-planting treatment has been under test for two years and has been used successfully in wheat, barley and flax. Following spraying, a shallow discing is required to work this material into the ground. Mr. Friesen reports an 80 to 90 per cent kill of wild oats where two pounds of the active ingredient per acre was used, without any apparent injury to the crop.

The second compound known as S-847 is sprayed on the plants when they are in the two leaf stage and inhibits or retards growth of the wild oat plant. Time of application is fairly critical, being just before or at the two leaf stage of wild oat development. One-half pound of active ingredient seems to be about right per acre.

Growth is suppressed, the leaves thicken and turn bluish and growth seems to stop and the plants appear to be dead. However, three weeks to a month after spraying the plants revive and recovery begins, too late for the wild oats to mature and set seed.

At Lacombe the sprayed fields yielded around eight bushels to the acre more than the untreated fields. Further testing will likely be in order before these new materials are released for sale.

**WHY NOT ? ? ?**

—Why not pick up a book from the Didsbury Library when you are shopping on a Saturday evening. Your local library is situated in the town office, and is open from 7 to 9 on Saturday evenings.

**EAST NOTES**

(From Our Own Correspondent)

The Lone Pine W.I. paid host to a Halloween party for district children of Lone Pine Saturday evening.

Mr. and Mrs. P. Schumaker and Robert Eckel were Sunday evening visitors with Mr. and Mrs. Alfie Thompson.

Mr. and Mrs. Raymond Schumaker and family were Friday evening visitors at the home of Mr. and Mrs. Harold Stiel.

Mr. and Mrs. Donald Thompson and family motored to Riley on Sunday to visit with the latter's sister, Mary, and family. The latter group returned with them to stay for a short visit.

Mr. and Mrs. Conrad Wagner and Ernie and Mrs. Nus were Sunday dinner guests with Marilyn Nus.

Les Schumaker and Clarence Hunt were visiting at the home of the former's parents recently.

Mr. and Mrs. Albert Milne will be holding their sale on Monday, November 16th.

Mr. and Mrs. Persinger of Calgary were recent visitors with Mr. and Mrs. Ivor Weber and Mr. and Mrs. Bill Persinger.
